Mrs. Fessler and Srita. Aranda
First Grade Remote Learning Schedule
May 11 – May 15.

Students can play any of the math games that weren't introduced throughout this time. This isn't required it is an option if they want to explore the games that we would have played had we been in school. It is in the Math Games English on the iPads or you can go to this link:

https://media.pk12ls.com/curriculum/math/Investigations3/gamecenter/english/index.html#/Grade:1/
