Math review of math concepts we have learned this year.

Science We have finished all of science units.

Tuesday, May 12th

You are going to become a Donut Shop Owner. DO NOT WORK ON THIS PROJECT UNTIL WE MEET ON ZOOM!! Do not think you know what to do. I want us to work this project as a class, you and me. We are going to do this for Zoom this week and next week.

Math Review of math concepts we have learned this year.

Science Solar Ovens You can make this and do this anytime you want.

This is something we would have done the last week for regular school. Do this with your family. ENJOY1

Wednesday, May 13th

Language Arts Read the story, "Valley of the moon" Large book page 476. I can read the story and be able to answer questions about Theme. I can also use my knowledge about figurative language to answer the questions on separate worksheets.

There is also a crossword so you can practice your vocabulary.

Math Review the math concepts we have learned this year.

Science Not today

Thursday, May 14th

Back to our Donut Shop. We will be working on this during Zoom. I would like you to finish this project today.
